Dear Mr. Weisberg,

I sincerely hope you have received the tape recording by now. Unfortunately my taping equipment was on the blink so you have the one and only recording.

I am sorry about the address foul up. I had you look at my office and I read the address for the letter and the tape.

Please advise me if you do not receive it.

On my second call to Mr. Carolla I did ask him how he was informed, and he stated

that this group called a news conference (kind of unusual when they are supposed to be representing a client, I would think) and that he got word of it from his "usual source."

I am going to call Mr. Carella and I hope he will return my call before I finish this letter. I am going to attempt to persuade him to contact me when and if he hears anything further on this bomb.

I did check the yellow pages, and the white pages, I also called

Dallas information, and I cannot obtain a number or address for them.

7-20-15

Mr. Carella has not returned my calls. However I am confident he will when he has time.

These two clippings I felt were interesting to say the least.

I'll close for now, hope you received the tape.

Sincerely

W. Paul Ellis
